EASIEST WAY TO LEARN AND PLAY UKULELE!

Listen article.

If you want to learn how to play ukulele or improve your knowledge of different ukulele chords, Ukulele Chords Lite is the right app for you! This free app offers you all basic major ukulele chords with music notes, frets and pictures of finger positions on the ukulele fretboard! If you need more chords, including minor chords, upgrade to the full version of this app, 120 Ukulele Chords!

Ukulele Chords Lite supports both right- and left-handed ukulele players, has adjustable volume and retina graphics. You can play any of the major chords with authentic ukulele sound, learn them as you go, or create your own ukulele chord sequences for your favorite ukulele songs or for your

practice sessions. You can also transpose those ukulele chord sequences up or down to accommodate your singing range.

Select the key you need, and Ukulele Chords Lite will show you the corresponding ukulele chord three ways: as music notes, as ukulele frets, and as colorful pictures of finger positions on the ukulele fretboard. Explore different ukulele chords! Listen to them with authentic ukulele sound, create your own ukulele chord sequences and change the order of the chords in your sequences any time! You can save your ukulele chords in your documents by using Drag&Drop, or in the app as Favorites! You can save as many ukulele chord sequences as you like or delete the ones you don't need. Don't forget that you can transpose your chord sequences up or down, if you are planning to sing along!

Have fun with Ukulele chords Lite! Download it now!
