FIND THE PERFECT BANJO CHORDS!

Listen article.

Are you looking for the perfect chords on your Banjo? Discover hundreds of chords with the Banjo chord compass for Banjo chords! This app can help show you all possible chord options along your virtual banjo fingerboard. Play any of them with an authentic banjo sound! Learn the chords in your own stride!

We have developed the chord diagrams that can show you all possible chord options in all 11 positions on the banjo Fingerboard. We are referring here to hundreds of chords! As you select a chord (a key on the left side, a chord type in the middle and an additional on the right-hand side), the App will show you how many chords with this combination are possible and all the available chords. Explore the chords with the app!

Here are some other things you can do with Banjo chord compass:

- Choose 19 different Voice types that you prefer to have out of the new standard (Standard, etc. See Settings for the complete list);
- you listen to every chord that you choose;
- you can create chord diagrams using drag & drop in editors in it to create your own music pieces;
- Select one from the 56 available chord types;
- volumes;
- Enjoy the authentic banjo sound and retina graphics;
- it supports right-handed, or left-handed people .

If you use smart Garage Band instruments, then you will be delighted to know that the banjo chord compass is compatible. Try our free Banjo Chords Compass Lite version! Take a look at our “Know-how” tutorial on YouTube!
