

120 BANJO CHORDS APP

Home (https://neonway.org/) / Blog (https://neonway.org/category/blog/) / 120 Banjo Chords APP

LEARN TO PLAY BANJO!

120 Banjo Chords is a reliable virtual music teacher that will allow you to practice playing banjo. This program provides you with chords available to play on this instrument, each of which you can listen to.

Learning to play banjo

120 Banjo Chords is a great app that is suitable for both professional and beginner musicians! It will allow you to write music or create a selection of notes, which you can then listen to in an extremely realistic sound! This will allow you to preview and evaluate the work you have written.

This app will allow you to easily and quickly learn to play banjo, as if you have your own teacher! 120 Banjo Chords displays chords and notes in the form of tabs and images with the necessary to extract a chord by the position of fingers on the strings of banjo.

You can download the app [HERE](https://neonway.org/120banjochords/) (https://neonway.org/120banjochords/)!

Composer

120 Banjo Chords contains samples of sounds for a wide variety of notes and tonalities, from the main to the minor, and so on. You can create your own music sheets, organize notes at your discretion, and preview the actual finished piece of music.

You just need to press the button, and the program will voice your selected notes in the form of a melody. With this app, you can easily improve your musical abilities! What's more, photos showing the dots where you need to clamp the strings can be easily stored on your device by capturing the image.

Virtual banjo game teacher

No matter whether you are an experienced musician or a beginner, 120 Banjo Chords can help you learn to play or improve your playing skills on this instrument. Moreover, this program will give you the opportunity to write songs and listen to the compositions created in it in a very realistic sound. You will easily learn how to properly clamp the strings and change the tone, train to play the notes.

You can watch on our YouTube video channel how the app works.
